

Website Facts – Form 1098-MA

As part of an internal audit, the Nevada Affordable Housing Assistance Corporation (“NAHAC”) determined that corrections were needed to some of the 1098-MA forms issued to homeowners participating in its assistance loan programs for tax year 2013. Adjusted 2013 1098-MA forms have been mailed to the affected homeowners with the voided original 2013 1098-MA forms. Homeowners who receive an adjusted 2013 1098-MA in the mail should consult with their tax preparer. Each homeowner’s tax situation is different. Your tax preparer will be able to tell you whether or not the adjustment made to the 2013 1098-MA associated with your assistance loan affects your 2013 return. The IRS has also issued IRS Publication 936, Home Mortgage Interest Deduction for 2013 Returns, which can be accessed at: <https://www.irs.gov/pub/irs-prior/p936--2013.pdf>.
