

PERFORMANCE REPORT

June 2024

The following report outlines the application (file) status, funding, and other performance measures of the Nevada Homeowner Assistance Fund (HAF) through June 30, 2024.

Applications (Files)

As of the end of June, a total of **9,339¹** applications were initiated through the Homeowner Assistance Fund System (HAFS) Portal. This number includes households with more than one file, due to duplicate applications and homeowners reapplying for assistance. Approximately **316** files remain in the Application/Document Collection stages (**178** executed by the homeowner, **19** homeowners returning for additional assistance, and **119** in Pre-Sign status) and an additional **160** files are in the Processing and Eligibility queues. As of this reporting period, a total of **1,912** files are classified as “Withdrawn” due to homeowners not completing the application timely; duplicate applications; and/or requests from homeowners to withdraw. Collectively, an overall total of **4530** files have been “Denied.” The top denial reasons include the following: the applicant did not complete the application timely, household income exceeded 150% AMI, and the amount needed to bring the loan current exceeds the program maximum. Additionally, at the end of this reporting period, **2,421¹** unique households were approved.

The following illustrates files in the pipeline by Status* after Document Collection.

Project Hand Holding

One-on-one assistance is provided to homeowners who have difficulty completing their application. Partnerships with housing counseling agencies (HCAs) have been beneficial in follow-up contact with homeowners and file processing. The chart below demonstrates the outcomes of the files assigned to the HCAs as a result of Project Hand Holding.

*Applications submitted represent completed applications.
