¹ Total does not include 18 applications which represent homeowners who have applied for subsequent assistance.

This report includes 26 Conforming Loan Limit (CLL) loans that were initially disclosed to the Treasury on February 21, 2024, due to a discrepancy in the CLL interpretation. Although NAHAC has repaid the HAF assistance for these loans, they are still included in this report's totals. The system of record is expected to be updated by mid-November to exclude these totals.

Of the **2,605** unique households assisted, there were a cumulative number of **4,768** fundings, which represents a disaggregated number of approvals broken out by program and returning homeowners funded for subsequent assistance. The following charts outline the disaggregated number of files assisted by program and includes Additional Funds Request (AFR).

Fundings

A total of **\$66,043,036** has been expended in mortgage assistance, including housing related expenses such as property taxes, homeowner insurance, and homeowner association assessments.
