Ms. Verise Campbell,
Chief Executive Officer/ Chief Operating Officer
Nevada Affordable Housing Assistance Corporation

Dear Verise,

Please accept my Notice of Resignation as Board Chair for the Nevada Affordable Housing Assistance Corporation effective January 30, 2025. I am retiring from the workforce after 36 years of service in multiple government positions.

I have appreciated the opportunity to serve with such an incredible Team, Board and amazing Leader. I know that the effectiveness of the Chairmanship is due to the professionalism, dedication and constant communication of the NAHAC Team. In kind, you must be credited for having built and sustained a strong Team and two effective, successful programs.

The Board will grow stronger through the addition of new talented members with diverse skills and perspectives. I wish you, the NAHAC Team and Board, all my best in what surely will be continued success assisting Nevada residents to retain affordable housing.

Sincerely,
