

PERFORMANCE REPORT

October 2025

The following report outlines the application (file) status, funding, and other performance measures of the Nevada Homeowner Assistance Fund (HAF) through October 31, 2025.

Applications (Files)

As of the end of October, a total of **12,620¹** applications were initiated through the Homeowner Assistance Fund System (HAFS) Portal. This number includes households with more than one file, due to duplicate applications and homeowners reapplying for assistance. Approximately **160** files remain in the Application/Document Collection stages (**89** executed by the homeowner, **34** homeowners returning for additional assistance, and **37** in Pre-Sign status) and an additional **161** files are in the Processing and Eligibility queues. As of this reporting period, a total of **2,336** files are classified as “Withdrawn” due to homeowners not completing the application timely; duplicate applications; and/or requests from homeowners to withdraw. Collectively, an overall total of **6,452** files have been “Denied.” The top denial reasons include the following: homeowner did not complete the application timely; household income exceeds the Area Median Income (AMI) as defined by the U.S. Department of the Treasury, and the amount needed to bring the loan current exceeds the program cap. The number of unique households approved in September 2025 was adjusted to **3,633**. At the end of this reporting period **3,669¹** unique households were approved.

This report does not contain thirteen (13) Non-Conforming Loan Limit (CLL) files that did not meet HAF Guidelines and were backed out of the system. Fourteen (14) Non-CLL files remain within the reported numbers as these homeowners received HOA or other stand-alone assistance that qualified under HAF.

Periodic internal audits may lead to revisions in the reported numbers.

¹ Total does not include **34 AFR** applications which represent homeowners who have applied for subsequent assistance.

Of the **3,669** unique households assisted, there were a cumulative number of **7,857** fundings, which represents a disaggregated number of approvals broken out by program and returning homeowners funded for subsequent assistance. The following charts outline the disaggregated number of files assisted by program and includes Additional Funds Request (AFR).

*UMA program was discontinued in July 2025. Remaining applications finalized in September 2025.
